

let your dreams fly high like the  
colorful kites in the sky ...

# Annual Report 2018-19

# About Us

UDAI Working Together Works is a 5 year young multi-tier Intervention Institution wherein we give educational, social, vocational and psychological learning to Children with Special Needs and prepare them to be independent and competent in the outer world.

We build Hope, Strength, & Joy and encourage our Special little people & their families to Understand, Accept and Celebrate Being Different.

# Mission and Vision

## Mission

To Rise above challenges, focus on possibilities, restructure the abilities and create an equal & inclusive society for all.

## Vision

We envision a world where there is Acceptance of the Able not the label and these Special people get opportunities for survival, development, participation and being self-reliant.

# From the Chairperson's desk

## ***Greetings to the Members of the board!***

I am indeed honoured to have this opportunity yet again to present before you the consistent upward graph of UDAI's achievements and I would like to thank each one of you for being a significant part of this glorious journey.

The year 2018-2019 has been a breakthrough for UDAI. With a committed & hard working team and cooperation from the parents associated with UDAI, we have reached a remarkable milestone in terms of supplementary services and increased number of beneficiaries in school as well as OPD division. Most importantly, UDAI has successfully been registered under **NITI AAYOG**.

Keeping in mind the holistic development of our students, we have always worked towards giving them ample opportunity to inculcate all the life skills required to be successful in today's world.

With this I seek God's blessings for each one of us, to keep accomplishing new heights of success.

*Sincerely,*

Tanu Rajput

# About the Year 2018-19

A heart filled with aspirations is all that we knew since the very existence of UDAI and that's what gave us the ambition of marching forward till excellence is achieved in all our endeavours.

This report is comprised of the achievements made during the year gone by and at the same time set the path for greater accomplishments in the years to come.

# Highlights

- **UDAI Athletic Meet cum Carnival**
- **Tree plantation**
- **Summer camp**
- **Excursion Experience**
- **Trainings & Workshops**
- **Life Skill Training**
- **Parents Association Meets**
- **Interscholastic activities**
- **UDAI's New Logo**
- **The Art Cart by UDAI**
- **Rituals & Festivities**
- **Talent showcase at numerous public platforms**

# UDAI Athletic Meet cum Carnival

## **'All Work And No Play Is Not The Story At UDAI'**

UDAI started its Session of 2018-19 with a Sports cum Carnival Event where various Special Schools were invited for participation.

The purpose of this event was to showcase the talent of Children with Special Needs and giving recognition to their efforts. It was tremendous to see the Sportsman Spirit amongst the participants.

The event took place on (date) at (venue) with around (no. of) participants. The Guest of Honor for the event was (name, designation).

# Tree Plantation Drive

## **It's Time to GIVE back to Mother Nature**

Tree plantation and protecting the environment is a regular practice at UDAI. We, at UDAI, have committed ourselves to give back to Mother Nature, in every possible way we can.

We are inculcating these values and habits in our students by involving them in gardening, tree plantation, cleanliness drive, etc.

Beyond learning how important this is, they really enjoy these eco-friendly drives.

Here's a Glimpse!

*Nurturing the Nature  
and  
Nurturing with Nature!*

# Summer Camp

UDAI's summer camp was all about giving wings to imaginations of the young minds and letting them soar high in the sky of creativity. Be it music, art or Drama- We set them free, we let them be.. YOUUnique in their own ways..

# Excursion Trip

UDAI organized an excursion trip in nature's lap, the green & serene Mukteshwar in the month of July. It was a (no. of days) – days trip to give our students an experience of a lifetime. It was a practical learning and understanding on life away from home.

As they say, "*Children learn as they play; and most importantly, in play they learn how to learn.*" We believe the same, thus the trip was planned with routine activities, fun activities, adventure, nature walk, team building activities and much more.

# Trainings & Workshops

- A hands-on training on **NDT & SI** for Occupational Therapists and other analysts who work for Children with Special Needs was organized. the training was taken by the renowned Dr. Loganathan and the professionals derived exceptional benefits from it.
- Workshop by **Dr. Archana Sharma on Behavior Management** for Parents associated with UDAI. Through this workshop the parents were given a platform to share the problems faced and were given the solutions for the same.
- A workshop on **POCSO Act by Mr. Bhupinder Shandilya** was organized for UDAI Employees. The kind of knowledge provided by him was effective. Such kind of Team Workshops are necessary from time to time.
- Our children completed one course of **AIMS Media** and started a workstation as a sheltered workshop for their living. Such workstations will help us to motivate our children and their families.

# Trainings & Workshops

- Workshop on **Thinking Skills and Vocabulary Development** was given by **Ms. Tanu Rajput at Sri Action Balaji Hospital**. This workshop was attended by many professionals and parents associated with Children with Special Needs.
- A presentation on **Autism Strategies by Ms. Tanu Rajput** was given at **Billabong International School**, Noida. The presentation was attended by parents & professionals associated with Special Need Individuals. The purpose was to spread knowledge and techniques to the professionals and parents of Children with Special Needs.
- UDAI started a new method of sharing and building team spirit by **Weekend Class and Case Discussion Forum**. It is scheduled to take place on Saturdays between the Educators & the Therapists to discuss, analyze and take necessary measures for the child's progress.

# Life Skill Training

**“Education Makes You Sufficient**

**Skills Make You Efficient”**

**Life Skill or Daily Living Skills** is a series of activities of self-dependence & those involving personal care across home, school, work and community like personal hygiene, housekeeping, self-care and getting around the community.

These are the subset of adapted behavior, which includes communication, social and relationship skills that are likely to be harder for someone on the spectrum.

Develop practical living skills such as safety, finding information (internet), traveling, home care (housecleaning), monetary skills (reading MRP, counting currency notes), shopping, etc. For the same we train & demonstrate the skills by giving them a hands-on experience.

- ❑ Children were taken for a Metro Ride wherein they were taught to generate tokens, look for the destination, board the metro and other metro rules.
- ❑ Our young adults are frequented to Kotak Mahindra bank for basic understanding about banking transactions.
- ❑ This year two outstation camps were organized and many children joined the same. The first one was to Saat Taal and the second was to Mukteshwar. These kind of camps helps in development of social skills, independent living system and recreational skills.
- ❑ A Day-cation to Surajgarh Farms, Gurugram was also organized for UDAI Team & Students. Activities like magic show, pottery, camel & bullock cart rides, Burma Bridge, etc. gave a good break to the staff in addition to a great boost in the self-esteem & confidence to the children. It was a great experience for all.

# Parents Association Meet

UDAI came up with the concept of Parents Association Meet in the past year. This is a discussion forum for parents of children on spectrum, and is initiated with the purpose of sharing problems, challenges, experiences, solutions they come across in everyday life.

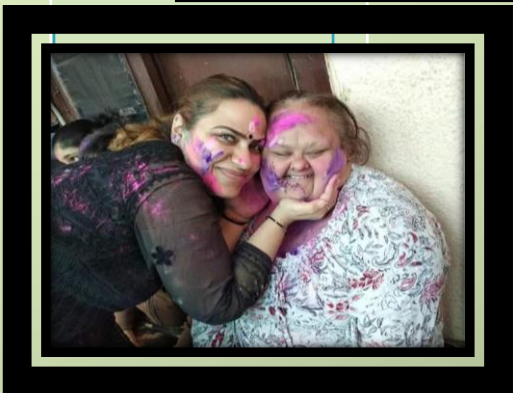

The meet is organized on a regular basis in the school premises with a different theme each time.

This initiative has been appreciated well by the parents and they have become more aware & receptive in terms of acceptance.

It has proved to be a great milestone in the year 2018-19 for UDAI and it's beneficiaries.

# Road Map to Year 2019-2020

- Introduction of Progress Report Card for students from this session
- Introduction of uniform from the session beginning April 2019
- Providing services to EWS by way of screening camps, workshops, awareness programs and helping the society in a better way
- Awareness Events and Camps
- Mission Inclusion
- Vocational Division
- Association with Corporates, Schools, Hospitals
